

Ancient Egyptians

Y3-Which Pharaohs helped lead the Ancient Egyptians?

Timeline of Ancient Egyptian civilization

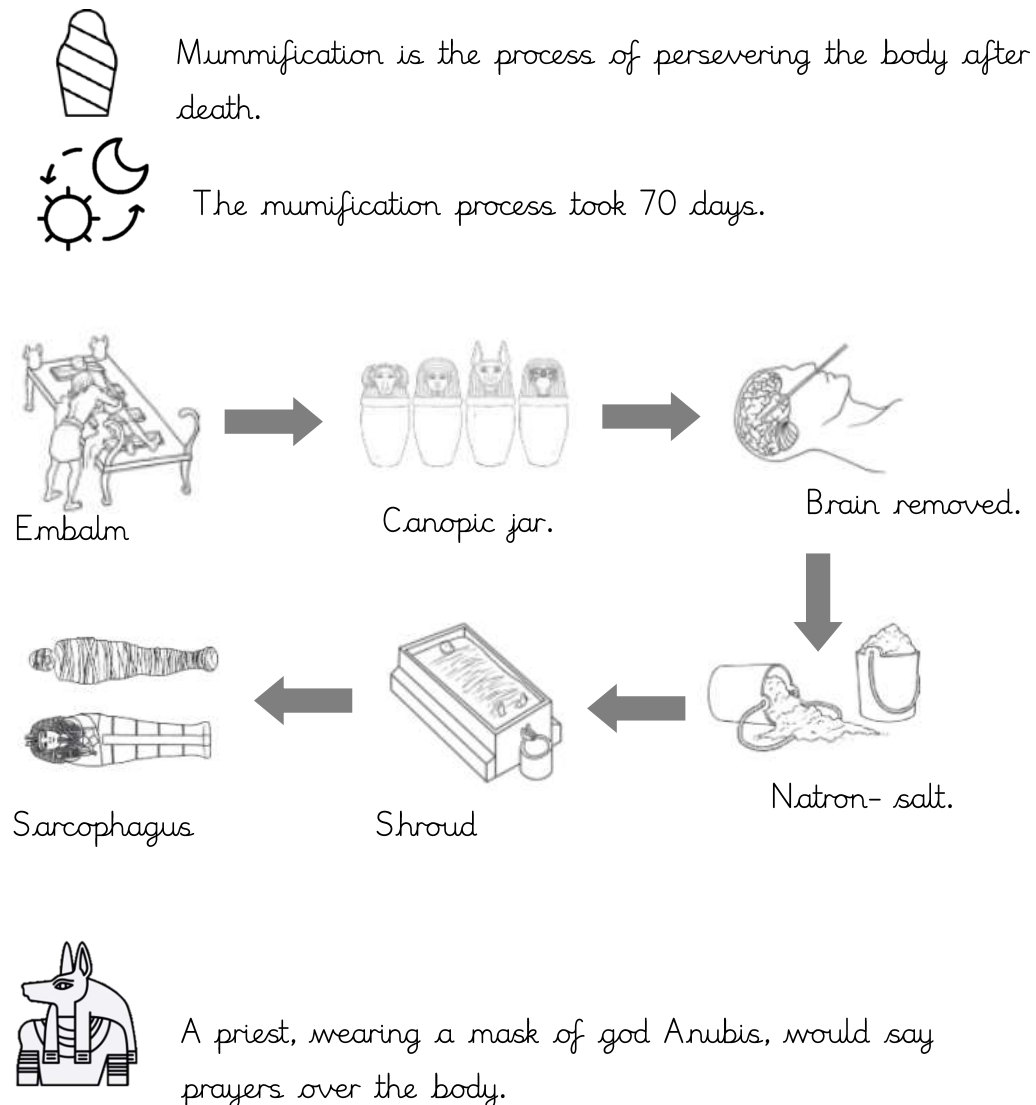

Significant people: Cleopatra VII

	Cleopatra VII was the last ruler of Ancient Egypt.
	Ruled with her brother
	Was very intelligent
	Influenced Ancient Egyptian politics
	Had relationships with 2 politicians; Julius Ceaser, Mark Anthony.

Mummification

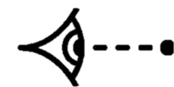

Light travels in a straight line

Light sources:

Darkness is the absence of light.

Light is needed to see things

Light reflects from surfaces

Shadows form when light is blocked.

The Closer the light source, the LARGER the shadow.

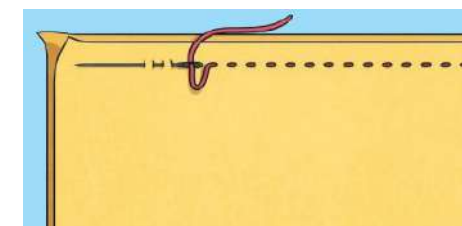

Sunglasses protect eyes from UV rays.

Textiles- stitches

Hand stitch

Running stitch

3D-3 Dimensional

The books we'll use to support our Ancient Egyptian topic:

The Ancient Egypt sleepover by Stephen Davies

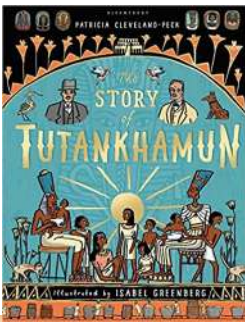

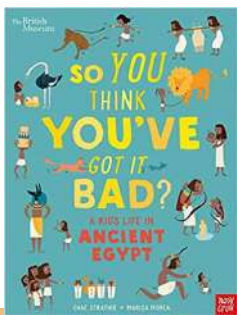

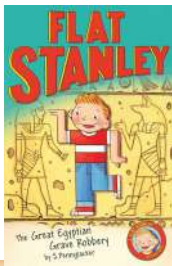

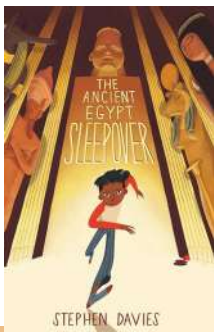

Mo has won a very special prize: an Ancient Egypt sleepover in a museum. However, he has no clue how dangerous it will turn out to be.

Flat Stanley—the great Egyptian grave robbery by Sara Pennypacker

Stanley travels by airmail to Egypt to help find an ancient treasure deep in the heart of a great pyramid. But what if even the flattest boy on earth can't wriggle out of this dark tomb - and the terrible mess he finds himself in?

The Story of Tutankhamun by Patricia Cleveland-Peck

Discover the troubles Tutankhamun faced as a young king, his untimely death, and his legacy, which lay hidden for centuries.

Key vocabulary:

civilization

group of people living together in an organised way.

reflect

When light from a surface bounces off the surface to change direction.

mummify

to keep a body by wrapping it up.

absence

Light not being there. This results in darkness.

ruler

a person who holds power over others.

UV

Ultra Violet rays is a shorter light wave that is produced by the sun.

Key skills we'll be building on...

In RE, we'll be looking at the ways in which Christians celebrate Easter and understand the significant of this celebration within Christianist. We'll link this to our own beliefs and explore ways that we show forgiveness to others.

In Life Skills, we'll be picking up our devices and developing our basic computer skills. We'll look at how to touch type to increase our speed and how we can use our keyboard to make different symbols.

In History, we'll be looking at how past events lead to huge change within Ancient Egyptian history and we'll explore how the civilization ended using a variety of sources.

In PSHE, we'll be looking at ways that we can keep ourselves safe. We'll reflect on scenarios and find ways to reduce the risks.

In Design Technology, we'll learn to use a running stitch to secure fabric together to make our nemes.

In Spanish, we'll be learning the names of different shapes and combining these with previously learned words to form sentences.

The questions and outcomes we'll cover are:

Week 1

How did the Ancient Egyptians prepare for the afterlife?

To write instructions on how and why Ancient Egyptians mummified the dead.

Week 2

How can we grow a shadow?

To record a puppet show and reflect on how light affects a shadow.

Week 3

Which wonders were found in Tutankhamun's tomb?

To write a letter to Lord Canarvan detailing the discovery of a life time.

Week 4

Which coding features will we use to escape the Mummy's tomb?

To complete a game with a program that contains coding features.

Week 5

How would Pharaohs make themselves look powerful?

To design and make an Ancient Egyptian Nemes.

Week 6

What made Cleopatra's rule so significant?

To write an explanation about Cleopatra's rule.

Why not try this at home?

Create your own secret hieroglyphic messages and get your family to crack the code!

Why not use a crisp tin or toilet tube to create your own canopic jar!

Take a virtual tour around the British History Museum and spot some amazing artefacts.
