The Spanish Armada	Where?	When?	Who?	Why?
The Spanish Armada was a fleet of armed ships sailing towards England in a crescent formation. 	Atlantic Ocean and English Channel	29 July 1588	King Philip of Spain decided to invade England and attempt to overthrow Queen Elizabeth I.	Partly because of religious differences (Catholic Spain, Protestant England), and partly because of English interference in Spanish affairs in the New World and the Netherlands.

The books we'll use to support our topic...

The Queens fool by Ally Sherrick Cat Sparrow is on the road. She's following her sister, Meg, who was torn from their convent home and sent to London. But Cat isn't like other people - she thinks differently - and for a girl like her the world holds many perils. Luckily she befriends a young actor, Jacques, and together they follow Meg's trail to a wondrous place called the Field of Cloth of Gold. But here, they discover that the kingdoms of England and France are both in terrible danger ...
